

REMARKS

Applicant thanks the Examiner for allowance of Claims 20-32. Claims 33-58 were rejected under § 112, second paragraph, as being indefinite. Applicant has amended Claims 33, 43 and 54 to clarify that the first layer and the second layer refractive indices are in a ratio that falls within a predetermined natural index contrast range. This language is supported by at least paragraph 34 of the specification. Applicant believes that Claims 33-58 are now in allowable form and respectfully requests allowance of Claims 33-58.

No additional fees are believed to be necessitated by the instant response.
